

First Grade Agenda

April 13-17, 2020

WEEK AT A GLANCE

Language Arts – Vowel Combos, ow and ou; Phonics Dance; Non-fiction Narratives

Math – Developing an Understanding of Length; Mathematical Thinking (UPS Check)

Science/Social Studies – Living/Nonliving; Meeting Needs with Natural Resources

REMOTE LEARNING

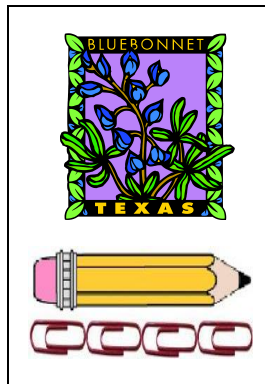

Check out our **GRADE LEVEL WEBSITE** as we all continue to navigate this temporary, new normal.

<http://timmermanfirstgrade.weebly.com/>

Follow your teacher's directions on how to submit activities completed.

Weekly **paper packets** are available for those who need them and do not have internet access.

Also, please let us know if you need connections to food or classroom supplies. We are here for you and ready to serve.

SCREENLESS SUGGESTIONS

Science – We have a NEW “5 senses scavenger hunt” for you. The list of items is on our grade level website under the “Academic Extras” tab. Have fun!

Social Studies – How does your family use natural resources to meet your needs? (For example, I can use water from the sink to drink if I get thirsty.) See anchor chart on website.

Research Project

Please be talking with your child about a possible **topic** for a project he/she would like to conduct some research.

More information coming soon!

Spelling Words

how	cow
owl	ouch
house	found
boot	new
watch	where

Sentence:

How do you get to your new house?
