### CLASS NOTES

We move forward with heavy hearts as we continue remote learning through the end of the school year, although we know it is in the best interest of all of us. We miss the children dearly, and we do know how much the children and parents miss the normal routine of going to school.

**We will all get through this together!**

Weekly **POEM** and daily activities are posted under “Academic Extras” for those who are interested.

## COMING EVENTS

Continued **Remote Learning** opportunities all week.

Remember, we're all in this together.

**READ,  
READ,
