Remote Learning (Refresher) Tips.....as we enter the second half of our temporary, new normal:

*Have a dedicated learning spot in your home. ***READ** *Have supplies and a drink available to reduce the need to leave space.

***READ** *Have an incentive *First/Then* conversation. Ex: "*First* you complete schoolwork, *then* you can have your iPad"

*Be consistent with time of day that schoolwork is to occur. *Give breaks when you see fit. ***READ** *Celebrate work completed!
