## WEEK AT A GLANCE

Language Arts – Vowel Combinations, /oo/, ew, ue; Phonics Dance; Biographies

Math – Developing an Understanding of Length; Mathematical Thinking (UPS Check)

Science/Social Studies – Living/Nonliving; Good Citizens Share Responsibilities

### REMOTE LEARNING

Our **GRADE LEVEL WEBISTE** is up and running, and we will continue to update as we navigate this temporary, new normal.

<http://timmermanfirstgrade.weebly.com/>

Option: Any completed activities can be sent through **SEESAW**.

Let us know if you need more information.

Weekly **paper packets** are available for those who need them.

Also, please let us know if you need connections to **food** or **classroom supplies**. We are here for you and ready to serve.

### SCREENLESS SUGGESTIONS

Science – Go on a scavenger hunt. Find 3 living and 3 nonliving things. Explain how you know if they are living or nonliving.

Social Studies – Give an example of a small problem and a big problem. How can these problems be solved? (Use **UPS Check** to help.)
