

First Grade Agenda

May 11-15, 2020

WEEK AT A GLANCE

Language Arts – Spelling - Prefixes: re- and un-; Folktales; Year in Review - Fluency

Math – Money: U.S. Coins and Values – Spend/Save; Mathematical Thinking (UPS Check)

Science/Social Studies – Animal Life Cycles - Frogs; Long Ago and Today--Comparisons

REMOTE LEARNING

Check out our **GRADE LEVEL WEBSITE** as we all continue to navigate this temporary, new normal.

Grading policy posted under new tab.

<http://timmermanfirstgrade.weebly.com/>

Follow your teacher's directions on how to submit activities completed.

Weekly **paper packets** are available for those who need them and do not have internet access.

Also, please let us know if you need connections to food or other supplies.
We are here for you and ready to serve.

SCREENLESS SUGGESTIONS

Math/Science– We have a “math scavenger hunt” for you. The list of items is on our grade level website under the “Academic Extras” tab.

Social Studies – Write ways work (ex: school) and having fun (ex: games) are different today than in the past.

Spelling Words

retry	recount
redo	untie
unpack	unkind
helpful	warmly
once	world

Sentence:

It's helpful to recount your coins more than once.

Bonus and W.O.W.:

charity

Defined: a generous action to help those in need

JOURNAL TOPICS

Mon: My weekend...
Tues: The best thing about spring is...
Wed: I wish I knew more about...
Thur: When I grow up I want to...
Fri: Free writing!

These topics are simply suggestions. If your child has something else in mind, excellent!

Math Problem of the week:

Jamison and Dany ran a snack stand in their front yard. They sold cookies for 5¢, apples for 6¢ and cupcakes for 10¢. They sold 3 cookies, 2 cupcakes, and 1 apple. How much money did they make altogether?

Show all your mathematical thinking.

Research Project

Please be talking with your child about a possible **topic** for an optional research project he/she would like to conduct. Seesaw template samples are posted.

CLASS NOTES

Everyone should have received their **progress reports** this past week. If you did not, please contact your teacher and it will be resent.

Weekly **POEM** (“Little Tadpole”) and daily activities are posted under “Academic Extras.”

Remote Learning Tip....Have student take frequent breaks. Why should I do it?

- * Helps break up monotonous tasks, assignments, activities, etc...
- * Can improve motivation and effort
- * To provide students with a cool down time away from a stress situation
- * Helps students to refocus on the task
- * Can help avoid a power struggle between you and the student
