### REMOTE LEARNING

Continue to check our **GRADE LEVEL WEBSITE** as we all continue to navigate this temporary, new normal.

Grading policy posted under new tab.

This is our last full week of learning. Please start thinking of ways to keep your child reading this summer!

Also, please let us know if you need connections to **food** or **other supplies**.  
We are here for you and ready to serve.

### SCREENLESS SUGGESTIONS

**Science** – We have a “indoor scavenger hunt” for you. The list of items is on our grade level website under the “Academic Extras” tab.

**Social Studies** – Learn from watching a grown-up use an invention at your house. Share steps in order. Draw and write about how the grown-up used the invention.

### Spelling Words

hard	harder
hardest	fast
faster	fastest
retry	unkind
could	animal

Sentence:

**Which animal could you run faster than?**

Bonus and W.O.W.:

**charity**

*Defined: a generous action to help those in need*

### JOURNAL TOPICS

Mon: My weekend...  
Tues: If I earned an income I would...  
Wed: In 2<sup>nd</sup> grade I'm looking forward to...  
Thurs: My favorite animal is...  
Fri: Free writing!

*These topics are simply suggestions. If your child has something else in mind, excellent!*

### Math Problem of the week:

Raiden went to the pet shop. He bought 12 goldfish, 7 blue fish, and 3 packages of fish food. How many fish did Raiden buy?

*Show all your mathematical thinking.*

### CLASS NOTES

Last full week of class this week. You guys have ROCKED remote learning.

**“Thank you for teaching our kids!”**

If you have not returned your library books, there is a box at TES to drop them off at TES on Tues and Thurs mornings from 10am-12noon.

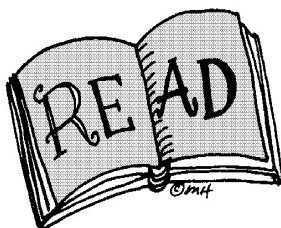

Weekly **POEM** (“What a Wonderful World”) and daily activities are posted under “Academic Extras.”

**Remote Learning Parent Tip:** Acknowledging Positive Behavior: Why should I do it?

\*Recognizing students for following rules, directives, directions, participating, etc is one of the most effective tools for managing, promoting, and correcting undesired behaviors

\*Children respond far better typically to positive reinforcements than negative
